Re: Friend of the Court Objection Period

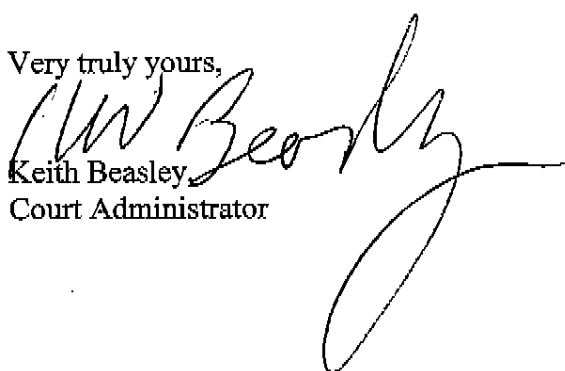

Dear Mr. Holland:

The State Court Administrative Office referred your concern regarding the amount of time allowed for objections to Friend of the Court Recommendations under MCR 3.215(E)(3)(d) to me for review and reply.

After reviewing the court rule and conferring with the Friend of the Court, we agree that our objection period needed to be modified in light of the court rule. We have already made and implemented the change so that 7 days are allowed for objections to be filed.

Thank you for pointing out this situation so that we could correct it.

Very truly yours,

Keith Beasley
Court Administrator
